HISTORICAL MARKER FOUND BY SKIP RACE

In the article "Historical Marker Installation Set" (The Scranton Times, Friday, September 17, 1982, page 8), it was reported by the Committee to Restore Carbondale City Hall (1) that only one of the three Carbondale historical markers was still standing--the one at White's Crossing; (2) that the historical marker that used to stand along Route 6 at Childs was recently knocked over and badly damaged by a motor vehicle; and (3) that the historical marker that used to stand along Fallbrook Road at 43rd Street had disappeared some years ago.
